

THE MORAVIAN CHURCH AT NEW DORP

Sunday, July 3, 2022

Fourth Sunday After Pentecost

***Indicates everyone who is able is invited to stand**

PREPARATION: Welcome. We are glad that you are here to worship as we gather today. Today, in part, we are remembering and celebrating days long past – to 1763, when a group of men and women joined together and organized the first Moravian congregation on Staten Island here in New Dorp; and to 1776 when others would declare their independence and begin the adventure that is Our United States of America. This is also a day to remember the life and witness of John Hus who, on July 6, 1415, was burned at the stake for his attempts at reforming the church of his day. It was his followers who later founded the Moravian Church in 1457. Occasions such as these allow us the opportunity to look back and to celebrate the accomplishments of the past. And it begs us to look ahead and envision the plans and ministries that God has in mind for our future. As we gather on this Lord's Day, like the generations before us have done, let us once again turn our hearts toward God who can calm our fears, restore our hope, and fill our lives with abundant joy.

As you prepare for worship, please remember to silence your cell phone.
