New Dorp Moravian Church

Dear Siblings in Christ,

Our Annual Collegiate Council of the United Brethren's Church on Staten Island (UBC) will be held on Wednesday, October 22, at New Dorp Moravian Church beginning at 7:00 p.m. I hope that this is already on your calendar.

**This year, the New Dorp Congregation will provide food and beverages before and after the meeting.** We will have food from Novelli's. You'll find hero sandwich, fruit, vegetables, desserts, and beverages. You can come straight from work or school or wherever you might be without needing to go home for dinner first. We will begin the time of food and fellowship at 5:30, with the sandwiches, and other items. Following the meeting, desserts, beverages, and other items will be available. We find value in opportunities for building relationships through fellowship among our members from the various congregations. We also hope that it will serve as an incentive to attend in person.

**Please know that your attendance at the Collegiate Council is very important,** even if you decide not to vote or participate in any way other than being present. We can only properly do the business of the UBC with an attendance of at least fifty (50) members of at least 18 years of age. Please do make a sincere effort to be in attendance and participate to the extent to which you feel called.

With hope and appreciation,

The Rev. Walter Bishop, Chair  
UBC Central Elders
